

Cryptid Investigation Report Form

Case Information

Case Number: _____
Date: _____
Time: _____
Location: _____
Lat/Long: _____
Investigator(s): _____

Location Information

Type of Location: _____
Age of Location: _____
History of Location: _____
Previous Activities: _____

Witness Information

Number of Witnesses: _____
Witness Name 1: _____
Witness 1 Contact: _____
Witness 1 Age: _____
Witness 1 Occupation: _____

Witness Name 2: _____
Witness 2 Contact: _____
Witness 2 Age: _____
Witness 2 Occupation: _____

Witness Name 3: _____
Witness 3 Contact: _____
Witness 3 Age: _____
Witness 3 Occupation: _____

Cryptid Information

Type of Cryptid: _____

Description of Cryptid

Size: _____
Shape: _____
Color: _____
Texture: _____
Distinctive Features: _____
Behavior of Cryptid
Movement: _____
Speed: _____
Aggression: _____
Unusual Behaviors: _____

Witness Statement

Description of Sighting: _____
Duration of Sighting: _____
Distance to Cryptid: _____
Emotional state during
sighting: _____
Any other witnesses: _____

Investigation Details

Investigation Dates: _____
Investigation Times: _____

Investigation Equipment Used

Cameras: _____
Audio Recorders: _____
Thermal Imaging: _____
Motion Detectors: _____
Other: _____

Investigation Techniques Used

Interviews: _____
Field Research: _____
Evidence Collection: _____
Other: _____

Physical Evidence Collected

Footprints: _____

Hair Samples: _____
Scat Samples: _____
Other Evidence: _____
Description of Evidence: _____

Photographic & Video Evidence

of Photos/Video: _____
Description: _____
Time & Date: _____
Camera Settings: _____

Audio Evidence

of Audio Recordings _____
Description: _____
Time & Date: _____
Equipment Used: _____

Investigator's Notes

Additional Observations: _____
Conclusion _____

Debunking and Alternative Explanations

Were alternatives considered for the reported sighting? _____
Were debunking techniques used? _____
Describe the techniques: _____

Cryptid Classification

Based on the evidence collected, what is the investigator's classification of the cryptid? _____
Is the cryptid a known species? _____
Is the cryptid a previously known species? _____

Recommendations for Future Investigations

Are there any
recommendations for
future investigations? _____
Are there areas needing
further research? _____

Investigator's Certification

I, _____, certify that this report is a true and accurate account of the
investigation _____.

Signature: _____

Date: _____

Investigator's Information

Name: _____
Address: _____
eMail: _____
Telephone: _____
